Website: Buggy car rating

Source url: <https://buggy.justtestit.org/>

1) **Title:** User profile visible even after log out action - Security Issue

Expected Behaviour: User should not be able to view the user profile page after logout

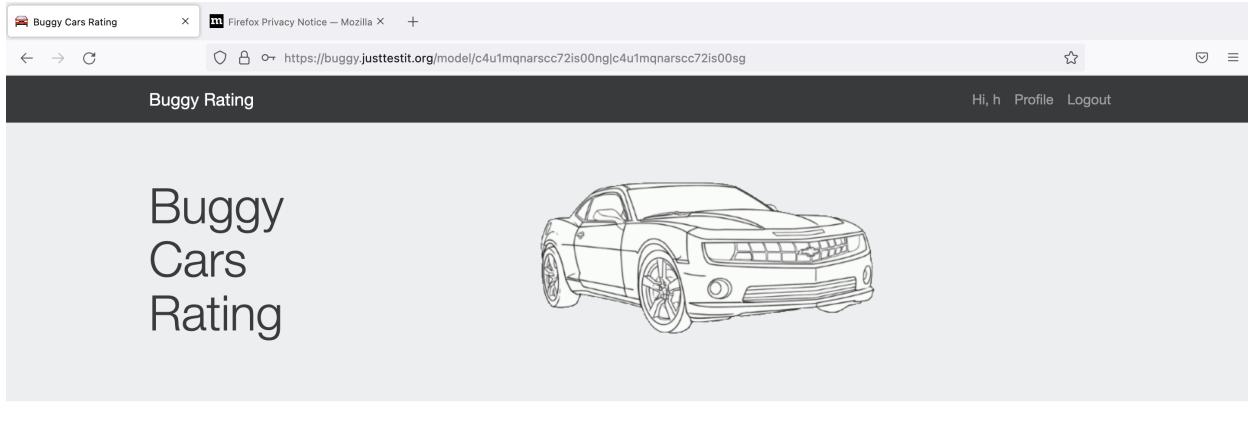

Priority: Critical (P1)

The screenshot shows a web browser window for 'Buggy Cars Rating' at the URL <https://buggy.justtestit.org/profile>. The page has a header with a car icon, the site name, and navigation links for 'Login' and 'Register'. Below the header is a logo for 'Buggy Cars Rating' featuring a drawing of a car. The main content area contains three tabs: 'Basic', 'Additional Info', and 'Additional Info' (repeated). The 'Basic' tab shows fields for 'Login' (containing 'h'), 'First Name' (containing 'h'), and 'Last Name' (containing 'h'). A green success message at the bottom of this tab says 'The profile has been saved successful'. The 'Additional Info' tabs show fields for 'Gender' (set to 'Female'), 'Age' (set to '27'), 'Address' (empty), 'Phone' (empty), and 'Hobby' (empty). The final 'Additional Info' tab is titled 'Change Password' with instructions '(leave empty to keep current)'. It includes fields for 'Current Password' (empty), 'New Password' (containing '...'), 'Confirm Password' (empty), and a red error message 'Passwords do not match'. At the bottom is a 'Language' dropdown set to 'English'.

2) Title: Landing Page for View More Link & Model Link is not loaded in Firefox and Safari- Cross browser issue

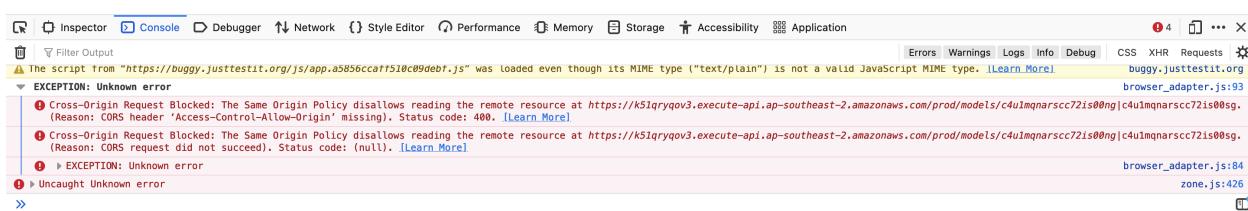

Expected Behaviour: Landing Page for View More Link & Model Link should be loaded across all browsers

Priority: Critical (P1)

4) Title: Home page redirection on logo click is broken intermittently

Expected Behaviour: User should be able to land on home page on click of Logo

Priority: High (P2)

The screenshot shows a web browser window with the title "Buggy Cars Rating". The page content includes the text "Buggy Cars Rating" and a line drawing of a sports car. Below the browser window is the developer tools interface, specifically the "Console" tab. The console output shows the following errors:

```

5) Title: Pagination is broken _ User can navigate beyond the available pages

Expected Behaviour: User should be able to navigate only till the available page

Priority: Medium (P3)

The screenshot shows a web browser window for 'Buggy Cars Rating' at the URL buggy.justtestit.org/overall. The page title is 'Buggy Rating'. The main content area features a large line drawing of a Chevrolet Camaro. To the left of the drawing, the text 'Buggy Cars Rating' is displayed. Below the drawing is a table with the following columns: Make, Model, Rank, Votes, Engine, and Comments. The table has one visible row. At the bottom of the page, there is a navigation bar with links for 'Hi, h Profile Logout' and social media icons for Facebook and Twitter. A page number '6' is highlighted in a box, indicating a navigation error where the user can navigate beyond the available pages.

Make	Model	Rank	Votes	Engine	Comments

6) Title: Invalid Login Error message is displayed even after navigating to other pages
Expected Behaviour: Invalid Login Error message should not be displayed after page refresh/after navigating to other pages.

Priority: Medium (P3)

The screenshot shows a web browser window for 'Buggy Cars Rating'. The address bar displays 'buggy.justtestit.org/model/c4u1mqnarscc72is00ng%7Cc4u1mqnarscc72is00sg'. The main content area has a header 'Buggy Rating' and a search bar with placeholder text 'Invalid username/password' and input 'xas'. Below the search bar are two buttons: 'Login' (green) and 'Register' (white). To the left, there's a logo for 'Buggy Cars Rating' and a large image of a white sports car. On the right, there's a section titled 'Specification' containing engine and max speed details. Below that is a section titled 'Votes: 3340' with a note about logging in to vote. At the bottom left, there's an Alfa Romeo logo and the text 'Alfa Romeo'.

8) Title: Sorting fails for Rank field

Expected Behaviour: Ascending and Decending sorting should work

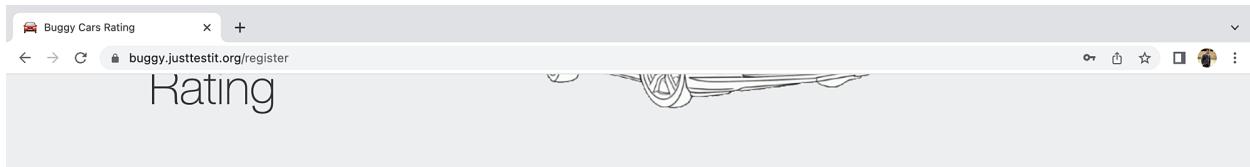

Priority: Medium (P3)

Model	Rank	Votes	Comments
	4c Spider	4	1418 Mi voto es para este automovil FB fail? View more
	Mito	2	1678 testing author name prueba test Comentario de prueba View more
	Giulia Quadrifoglio	1	3341 test Bueno_... nice View more
	Giulietta	3	1589 prueba Mi voto es para este automovil View more

9) Title: Post successful registration user stays in registration page

Expected Behaviour: Post successful registration user should land on logged-in home page

Priority: Medium (P3)

The screenshot shows a web browser window titled "Buggy Cars Rating". The URL in the address bar is "buggy.justtestit.org/register". The page itself is titled "Rating" and contains a registration form for "Buggy Cars Rating". The form fields are labeled "Login", "First Name", "Last Name", "Password", and "Confirm Password". Below the form are two buttons: "Register" and "Cancel". A green success message box at the bottom left states "Registration is successful".

10) Title: Author field content is not displayed

Expected Behaviour: Author should be displayed if applicable

Priority: Low (P4)

Mito

The style of the *Mito* lives up to the latest news from the Alfa Romeo family in design, onboard experience and in its performance too.

In this way, the smallest Alfa Romeo sporty car hasn't just grown-up: it has become grandiose.

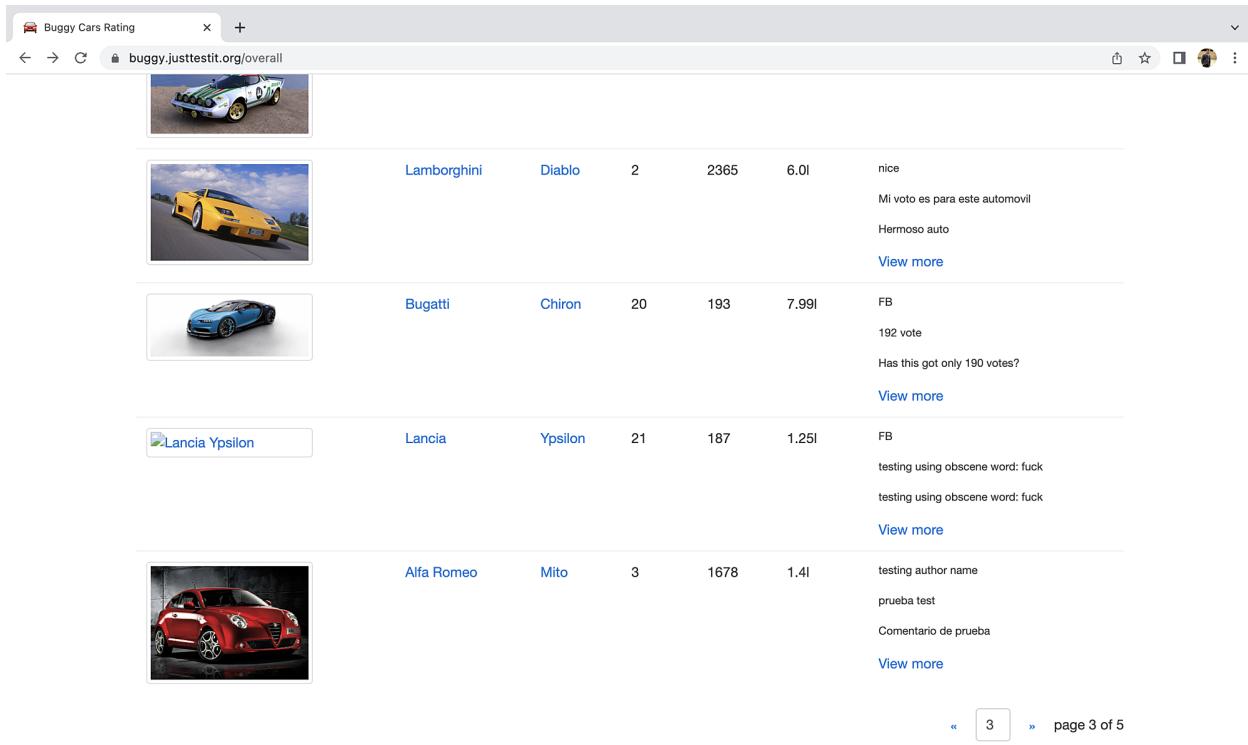

Strength and agility are *Mito*'s strong points. To provide them, Alfa Romeo engineers worked hard on every element of the car, to ensure only the best performance.

11) Title: Images of few models are not loaded

Expected Behaviour: Images should be loaded for all the models

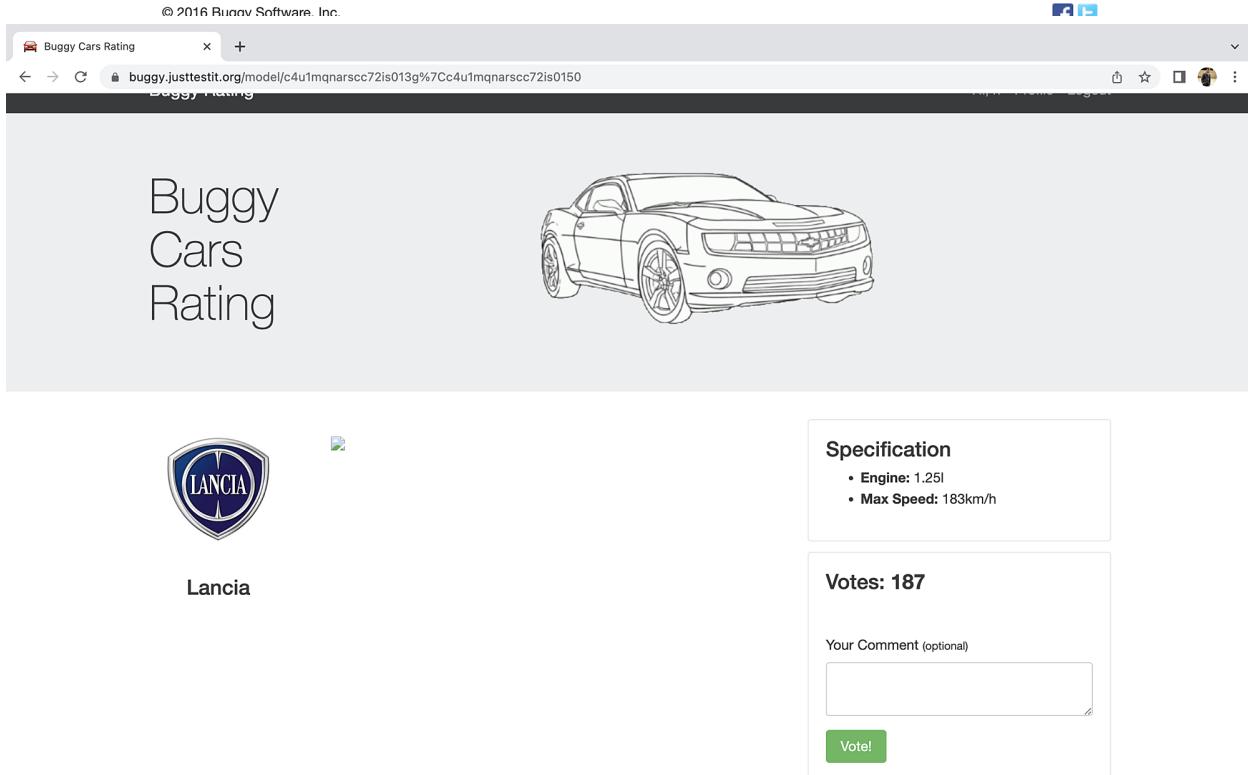

Priority: Low (P4)

The screenshot shows a list of cars on the 'overall' page of the Buggy Cars Rating website. The cars listed are:

- Lamborghini Diablo: 2 votes, 2365 points, 6.0l engine, nice comment (Mi voto es para este automovil), Hermoso auto, View more link.
- Bugatti Chiron: 20 votes, 193 points, 7.99l engine, FB comment (Has this got only 190 votes?), View more link.
- Lancia Ypsilon: 21 votes, 187 points, 1.25l engine, FB comments (testing using obscene word: fuck, testing using obscene word: fuck), View more link.
- Alfa Romeo Mito: 3 votes, 1678 points, 1.4l engine, FB comments (testing author name, prueba test, Comentario de prueba), View more link.

Pagination at the bottom indicates page 3 of 5.

The screenshot shows a detailed view of the Lancia Ypsilon car model. The page includes:

- The Lancia logo and the text "Lancia".
- A large image of the Lancia Ypsilon car.
- A "Specification" box containing:
 - Engine: 1.25l
 - Max Speed: 183km/h
- A "Votes: 187" box.
- A "Your Comment (optional)" input field.
- A "Vote!" button.

12) Title: Error Validation Text for Last Name is incorrect

Expected Behaviour: "Last Name is Required" should be the error text for Last Name

Priority: Low (P4)
